<Comments from Kazunari Ohashi, Representative Director and CEO>

We are truly honored to take part as a sponsor of the Japan tour by the Philharmonic Orchestra of the “Filarmonica del Teatro Comunale di Modena”.

At Peach, we deeply resonate with the beliefs of Music Director Hirofumi Yoshida—his conviction that “music is the very movement of the heart,” that he conducts “each and every note with love,” and his passion for delivering emotion to people through music. Peach’s vision, “A flight full of respect for everyone,” deeply resonates with Mr. Yoshida’s view of music, as both share the belief in connecting people’s hearts across borders and generations. Through this performance, we hope that the power of music will connect hearts and create opportunities to share a moving experience in Osaka and Amami—two places brought together by Peach.
