- Operated on the Airbus A321LR with a maximum seat pitch of 32 inches (81 cm) and plenty of legroom
- This is the only Japanese airline that will operate the Singapore - Osaka (Kansai) route

SINGAPORE, August 29, 2024 - Peach Aviation Ltd. (hereinafter: Peach, CEO: Kazunari Ohashi) announced the launch of its new daily Singapore - Osaka (Kansai) flights from Changi Airport, commencing 5 December. Flight tickets go on sale today.

A321LR (Introduced on December 28, 2021)

Peach's Singapore - Osaka (Kansai) route is its second medium-haul international route after Bangkok, and will be operated by Airbus A321LR with a wider seat pitch than the Airbus A320 used on the short-haul route. With Peach's 7x weekly services to Osaka (Kansai) from 5 December.

The Airbus A321LR boasts a wide seat pitch of up to 32 inches (approximately 81 cm)*, on par with full-service carriers, offering passengers a comfortable inflight experience on the 6.5-hour flight between Singapore and Osaka (Kansai).

*Seat width 30 - 32 inches (approx. 76 - 81cm).

Chief Corporate Planning Officer Satoru Endo of Peach said, "We are very pleased that Peach will be the only Japanese airline to operate the Singapore-Osaka route. With a more spaced-out, cutting-edge Airbus A321LR aircraft, we will take you to Osaka in comfort and offer you an exciting experience in the booming Kansai region, which is set to host the Expo 2025 Osaka, Kansai, Japan.

"Furthermore, from Osaka, Peach is connected to 13 destinations in Japan. We look forward to welcome travelers with Peach's reasonable fares."

Mr. Lim Ching Kiat, Executive Vice President of Air Hub & Cargo Development at Changi Airport Group said, “We warmly welcome Peach to Changi Airport with the launch of its new Singapore-Osaka flights. Japan continues to be a top holiday destination for Singapore residents, with passenger traffic growing more than 25% year-on-year in the first half of 2024. As one of Changi’s top markets, this new route not only strengthens the connectivity between Singapore and Japan but also expands travel choices for our passengers. Osaka, with its vibrant culture and attractions such as the historic Osaka Castle, the renowned Universal Studios Japan, and the impressive Osaka Aquarium, offers a wealth of experiences that will undoubtedly appeal to travelers.”

Mr. Alan Ang, Director of EU Holidays stated, “As the lead partner travel agency, EU Holidays is proud to represent such an established airline for direct flights between Singapore and Osaka. Peach’s professionalism and energy is what we will continue to uphold in Singapore.”

Mr. Hiroshi Mizohata, President of Osaka Convention & Tourism Bureau, added, “We sincerely welcome the launch of the Singapore-Osaka (Kansai) route by Peach. We hope that this new route will serve as an important bridge between Osaka and Singapore, and will further revitalize tourism exchange between the two cities. Osaka is a city with diverse attractions such as traditional culture, gastronomy, entertainment, and shopping, making it a very attractive destination for visitors from Singapore. Furthermore, the Expo 2025 Osaka, Kansai, Japan will be held next year. We hope that this new route will offer new convenience to Singaporean travelers visiting the Expo 2025 Osaka, Kansai, Japan and provide an opportunity for more people to experience the attractions of the Expo. Together with Peach, we will continue to promote the charms of Osaka to more visitors to Japan.”

About Airbus A321LR introduced by Peach

The seat pitch is 30 - 32 inches (approx. 76 - 81 cm) and in-flight comfort has been improved, with each seat equipped with a USB charging terminal. Airbus aircrafts are 1 inch (approx. 2.5cm) wider than competitors' aircraft, providing ample cabin space. It has a cruising range of 7,400 km and uses CFM's LEAP-1A engine and sharklets (large wing end plates), achieving approximately 20% fuel efficiency improvement compared to the previous aircraft (A320ceo).

The seat pitch of the seat in the photo is 32 inches (approx. 81 cm)
